Falcon Advisors, Inc.

Dedicated to making your life easier

P.O. Box 2672
W. Lafayette, IN 47996

Plans and specifications are without question critical to the success of any construction project. When the plans and specifications are clear and without significant errors or omissions, the project is much more likely to be on time and within budget

SEMINAR HIGHLIGHTS:

- ⇒ Valuable tips for addressing their obligations, rights and remedies when confronted with poorly drafted, ambiguous or conflicting plans and specifications
- ⇒ Options that are available, what can be done to mitigate damages, address the problem, and/or pursue or protect the parties' rights will assist you when you inevitably encounter bad plans.
